**Subject:** MP Correspondence: Sir Graham Brady MP

Good afternoon,

**Re: planning application 101355/TEL/20**

I am writing to you on behalf of a number of my constituents and to express my own concerns about the above named planning application for a 5G mast on Stamford Brook road.

I have concerns about the placement of this mast alongside the shared green space pathway and nature corridor, besides houses and apartments and directly in front of townhouses. I do not think that the mast will be in keeping with the appearance of the area and will be an eyesore for those seeking to enjoy walks nearby.

The size is also concerning, reaching almost 6 metres above the tallest apartment block.

Several of my constituents have suggested that there are other suitable places for this mast that might avoid the upset to residents and disturbance to nature that this placement threatens to do. I have sympathy with this position and would urge these views to be taken into account when considering this application.

Thank you for your consideration.

Yours sincerely,

[REDACTED]

Sir Graham Brady MP
